

# TEETH WHITENING 4 LIFE

**We feel that every patient in our practice deserves to have a smile they can be proud of! We are excited to offer our patients Existing & New this new program called Teeth Whitening 4 Life!**

So here are the details:

- To qualify you must be 18 years old.
- Dr. Buan has to see that you are Medically & Dentally able to do the program. (Patients that have badly decayed or "mobile" teeth might not qualify).
- You have to have your regular dental exam, cleaning and \*x-rays (if needed if you are an existing patient).
- A one time set~up fee of \$200.00 (for the Take Home) \$500.00 (for the In-Office) and has to be paid in full.
- For existing patients that have done their bleaching in our office it is a discounted fee of \$50.00 (for the Take Home) and \$50.00 (for the In-Office).
- If bleaching trays are lost or destroyed there is a \$50.00 replacement fee. You also may buy extra bleach syringes for \$25.00 each.
- Patients must keep their regular scheduled prophylaxis, exam and x-ray appointments. If change comes in your schedule you must give 24 hours notice. We will require for you to reschedule within 2 weeks to remain on the program. Or you will be dis-enrolled from the program.
- If you fail to follow the rules you may re~qualify to re~enroll for a reactivation fee of \$50.00.
- It is a win win program! You have your teeth cleaned and maintain good oral health, keep your 6 month appointments and you will get bleaching for life!

## IF YOU QUALIFY TO BEGIN:

**Dr. Buan has to do a routine Exam & Cleaning & any necessary X-rays first. Then with your choice of Take Home Bleaching: Includes 1 set of trays & 2 Bleach syringes) or (In-Office Bleaching: Includes 1 hour bleaching, 1 set of trays & 2 Bleach syringes).**

**Then your next 6 month recall appointment scheduled in advance to start your good oral health future. Then at each 6 month recall appointment you will receive 1 bleach syringe to continue brightening your smile through out the years to come!**
